T.A.G. Update

by Sponsor Kat McKee

2020 has taken its toll on all of us. What started out as a year full of exciting things for the Teen Department at APL, came to a halt with the onset of Covid-19. We are slowly adding furniture to the teen section so be sure to stop in and check it out!

Instead of trying to meet at the library for a monthly meeting, I felt it would be better to send out a newsletter. My hope is to keep you all updated with things that are happening at the teen department. If this works, I will try to do some programming via Zoom after the first of the new year. Please let me know if you like the idea of a newsletter. Stay healthy :)

"Through a gripping, fast-paced, and energizing narrative written by beloved award-winner Jason Reynolds, this book shines a light on the many insidious forms of racist ideas--and on ways readers can identify and stamp out racist thoughts in their daily lives." - Amazon
